

**Plane  
Power**

**Plane Power 400 Hz  
connectors**

**PD400**

All connectors  
IP66/67 rated,  
no filler required.  
Lighter, easy to  
harness & maintain

Replaceable  
handle/strain  
relief

Detachable front nose &  
replaceable front contacts

**PDS400**

Individually  
replaceable push  
buttons & LEDs

Works with a wide range  
of cable options.  
Optimises cable life

**P400**

Connector body material  
highly resistant to impact &  
abrasion. Able to withstand  
extreme use in toughest  
airport environments

High electrical/mechanical  
performance of power &  
control tubes
